AminoCharge™
Vanilla

Product Name: AminoCharge, 14.67 oz. (416 g)

Item No: NZ12

Characteristics: AminoCharge is a product that was designed to provide us with all the necessary amino acids derived from the different protein sources in order to deliver 17 grams of protein in a single serving (26 grams).

- This innovative protein blend is an essential part of our “Mutual Supplementation Strategy” that can provide the optimum levels of essential amino acids we require to achieve the benefits from complete proteins.
- Proprietary blend of 4 superior quality protein sources: Whey, Soy, Rice, and Pea.
- Contains all of the 8 essential amino acids.

Benefits: Usage as directed may assist in the development of muscle bulk. This product is useful before, during or after sustained strenuous exercise.

Colour: Off-white

Texture: Powder

Flavour/Taste: Vanilla

Recommended Daily Intake: Mix 2 scoops of AminoCharge (26 g) and 3 droppers full (3 ml) of AminoRegulator in the liquid of your choice.

Servings per container: 16

Storage/Shelf life:

- **Unopened** – Shelf stable for 18 months when stored at room temperature, sheltered from light and moisture, and product is kept in its original packaging.
- **Opened** – For the best benefits, use within 40 days.

Ingredients: Whey Protein (milk derivative), Soy Protein Isolate, Rice Protein Isolate, Pea Protein Isolate, Fructose, Lecithin (derived from soy), Vitamin C, Calcium Phosphate Tribasic, Thickener (Xanthan Gum), and Exotic Tropical Flavours.

Contains: **Whey** (derived from Milk) and **Soy**.

General: All of Life Force International products are manufactured following cGMPs in compliance with the US Food and Drug Administration’s cGMPs Regulations (21 CFR 110).

Guaranteed analyses:

AminoRegulator™

Product Name: AminoRegulator, 2 fl. oz. (60 mL)

Item No: NZ12

Characteristics: AminoRegulator is a liquid, vitamin supplement formulated to complement AminoCharge in order to ensure the freshest delivery of B vitamins in synergy with bioactive amino acids.

- Contains important B vitamins, riboflavin, folate and vitamin B6, which are used in the body for many important biochemical reactions
- Contains 5-HTP, which is a naturally occurring amino acid and is a precursor to the neurotransmitter serotonin.

Colour: Bright yellow

Flavour/Taste: Sweet

Texture: Viscose liquid

Recommended Daily Intake: After thoroughly mixing AminoCharge, add 3 droppers (3 mL) of AminoRegulator.

Servings per container: 20

Storage/Shelf life:

- **Unopened** – Shelf stable for 13 months when stored at room temperature, sheltered from light and moisture, and product is kept in its original packaging.
- **Opened** – For the best benefits, use within 40 days.

Ingredients: 5-HTP (5-Hydroxytryptophan)

Other Ingredients: Glycerin (Vegetable Source), Riboflavin, Vitamin B6, Folate.

General: All of Life Force International products are manufactured following cGMPs in compliance with the US Food and Drug Administration's cGMPs Regulations (21 CFR 110).
